

All Dr. Comfort products featured proudly carry the **American Podiatric Medical Association Seal of Acceptance.**

Healthier, happier feet start here.

Table of Contents

Believe in comfort.

Dr. Comfort manufactures footwear with the purpose of helping people remain active.

Our shoes are primarily available through healthcare providers who specialise in foot health. Proper footwear can help prevent more serious complications for those at risk.

While our shoes are designed for those at risk, they also provide the quality, comfort and style anyone looking for a great pair of shoes will love. **Nobody beats our comfort.**

For more information or to find a local provider, look online at drcomfort.com.au/storelocator or call us at 1300 66 77 30 (AUS) or 0800 60 60 40 (NZ).

Diabetic Slippers Collection

At home comfort & protection essential for those with diabetes, you'll love the soft warm feel of our comfort slippers. Featuring a non-skid outsole, protective toe box and comfort fleece lining, all of our slippers are extra-depth to accommodate your prescription inserts. Now, try our new styles with a more rugged outsole. All slippers include a pair of our comfort gel inserts.

Shape-To-Fit Diabetic Socks & Compression Wear

Enjoy the most comfortable socks you've ever worn! Our seamless, moisturewicking socks are designed specially for diabetics, but provide all day comfort for everyone. A graduated leg design keeps socks up on your legs and the padded forefoot and heel provide true comfort
